# KAYLA MONTGOMERY

## Senior Industry Advancement Manager, AGC of California

Kayla Montgomery is the Senior Industry Advancement Manager for the Associated General Contractors of California (AGC of California), a membership organization that represents over 1,000 construction-industry companies. At AGC of California, Kayla leads the development, strategy, and implementation of their Diversity, Equity, Inclusion, and Belonging (DEIB) program and the Small and Underrepresented Business (SUB) program.

Some of the programming includes quarterly education Forums, Inclusive Leaders Institute, resource development, consulting services, and more. With more than 10 years of experience as a DEIB practitioner, she holds a Master of Science in Organizational Psychology, she is driven by her passion to make an impact and contribute to strengthening the sense of belonging for all who make up our construction workforce.
