

MICHAEL TATALOVICH

Assistant Departmental Engineer, LACSD

Mike earned both his Bachelor's and Master's degrees in Civil Engineering from the University of California, Irvine. He started his professional career in 1998 at the Los Angeles County Sanitation Districts (LACSD).

With over 27 years of experience in the wastewater and solid waste industries, he has a diverse background that includes landfill regulation and groundwater remediation, sewer system and pumping plant operation and maintenance, design of sewer systems and force mains, construction management, and the development of engineering technology programs.

Currently, Mike serves as the Assistant Departmental Engineer in the Engineering Department at LACSD.
