

MELINDA BERGE

Senior Project Manager & Quality Control Manager - Public Works, Joseph J. Albanese

Melinda Berge joined Joseph J. Albanese in 2018 as a Project Engineer and today serves the company as a Senior Project Manager and Quality Control Manager in Public Works. She oversees projects ranging from emergency services to building new roads, trails, and drainage infrastructure throughout the Bay Area and Santa Cruz County. Melinda's solution-oriented approach and open communication style ensure a high quality product for all stakeholders.
