

# Captain Anthony Easter

Project Director, Taskforce for Regional Autotheft Prevention  
Los Angeles County Sheriff's Department

Captain Anthony Easter is a 33-year veteran of the Los Angeles County Sheriff's Department. Currently, he is the Project Director of the Taskforce for Regional Autotheft Prevention (TRAP). Captain Easter is an experienced law enforcement professional with a diverse background in auto theft, gang enforcement, narcotics, S.W.A.T., and Internal Affairs. As a long-time resident of Los Angeles County, he brings a strong understanding of the communities he serves and a deep commitment to public safety, professionalism, and accountability.

His extensive career has provided him with valuable experience in investigations, critical incidents, tactical operations, and organizational oversight. He holds a master's degree in leadership in Public Service, along with bachelor's degrees in criminal justice and psychology.

Combining years of law enforcement experience with a strong educational foundation, Captain Easter is committed to effective leadership, integrity, and continued service to his community.
