

Linnie Bailey

Community Business Liaison - Career Technical Education (CTE)
Department
Corona-Norco Unified School District

Linnie Bailey serves as the Community Business Liaison for the Corona-Norco Unified School District Career Technical Education (CTE) Department, where she connects education and industry to expand career-focused opportunities for students. She has also provided CTE consulting and writing services for a range of institutions, including Riverside Community College District, Norco College, Desert Regional Colleges, and Central California Colleges. In addition, she coordinates the Youth Education Motivation Program (YEMP), which brings industry professionals to local middle schools through YEMP Career Days to introduce students to career pathways and workplace experiences. Her work helps motivate students to explore future career possibilities and strengthens connections between schools and the business community.
