

Jason Kunz

Keynote Speaker and Founder | The Kunz Company

Jason Kunz is a keynote speaker, trusted advisor, and founder of The Kunz Company. He partners with organizations to reduce serious injury and fatality (SIF) risk, strengthen leadership, and improve operational performance.

A 2025 National Safety Council Rising Star of Safety, Jason spent 15 years at 3M in technical, sales, and leadership roles. He has delivered keynotes and workshops for more than 40,000 people across 40 countries and is a co-author and lead architect of emerging ASTM standards focused on SIF prevention.

Known for his high energy, practical insights, and real-world stories, Jason helps leaders see their influence clearly and use it wisely.
