

Ryan Kaspari

Deputy Director of Capital Development | Palm Springs International Airport (PSP)

Ryan Kaspari is Deputy Director of Capital Development at Palm Springs International Airport (PSP), where he helps lead the planning and delivery of the Airport's capital improvement program, including major terminal, airfield, baggage handling, rental car, and infrastructure projects.

Prior to joining PSP, Ryan spent more than 25 years in engineering, construction, facilities, and executive leadership with the Minnesota Air National Guard. His experience includes managing major infrastructure programs, serving as an owner's representative for architects, engineers, and contractors, and overseeing a facilities portfolio valued at more than \$150 million.
