Nicole Colley

Operations Strategy Manager
SLAC National Accelerator Laboratory

Nicole is the Operations Strategy Manager for the Supply Chain Management department at SLAC National Accelerator Laboratory located in Menlo Park, CA. With over 5 years of experience in this role, she leads the Small Business Program and oversees key operational functions including Supplier Administration, Purchase Order Closeout, Department Training, and Web Communications. Before joining SLAC, Nicole built a strong foundation in procurement and supply chain management in the oil and gas and financial services industry where she held various leadership roles in vendor and contract management as well as category management.
