Greg Reed

Director, Water Engineering and Technical Services
Los Angeles Department of Power and Water (LADWP)

Gregory Reed serves as the Director of the LADWP Water Engineering and Technical Services Division, an organization of 400 employees and an annual improvement program budget of over \$300 million. Mr. Reed oversees strategic investments in water recycling, groundwater remediation, and infrastructure reliability. Mr. Reed also served as General Manager of West Basin MWD, a wholesale public water agency providing supplies to 17 cities and unincorporated areas of Los Angeles County.
