Brenda Vejar

Project Manager, Facilities Services
University of California, Riverside

Brenda Vejar serves as a Project Manager within the Facilities Services department at the University of California, Riverside (UCR), where she applies extensive construction expertise to manage projects across the campus.

Prior to her role at UCR, Brenda spent years as the principal leader and executive head of Vejar Construction, Inc. In this position, she directly managed project managers, project engineers, and project teams, while overseeing the day-to-day operations of the business. She collaborated with architects, consultants, clients, suppliers, and subcontractors, while preparing and monitoring project budgets, job cost reports, contracts, and purchase orders.

Distinguished projects in her company's portfolio include:

- Riverside Main Library
- Newport Beach Fire Station No. 5 and Library
- Cal State Long Beach Horn Center & Kleefeld Contemporary Art Museum
- Robert B. Diemer Water Treatment Plant
- Merrill Gardens at Rolling Hills Estates
