Mat Antonelli

Chief Vendor/Contract Management Officer
Los Angeles Metro

Mat serves as Chief Vendor/Contract Management Officer at Los Angeles Metro, bringing extensive experience in contract management and the delivery of complex transportation programs. Prior to his current role, he managed a \$40 billion portfolio of mega projects and served as Project Manager for the \$1.8 billion Regional Connector, helping lead the project through completion and opening. He brings a practical, results-focused approach to contract management, accountability, and project delivery.
