Jim Beil

Executive Director, Capital Programs
Orange County Transportation Authority

Jim is OCTA's Executive Director of Capital Programs responsible for rail, transit, highway, and facility project delivery, project controls, and real estate services. High profile programs include the comprehensive \$6.3 billion Freeway Program including the recently completed Interstate 405 Improvement and Express Lanes, the OC Streetcar, passenger rail improvements, and coastal rail resiliency efforts. Prior to joining OCTA, Jim was the Caltrans District 12 Deputy District Director for the Capital Outlay Program responsible for program and project management, design, engineering services, right of way, and construction. Jim is an Orange County native, alumni of the California State Polytechnic University, Pomona, and is a Registered Professional Civil Engineer in the State of California since 1990.
