Mariana Chavez-Vazquez, MEng, PE

General Manager
City of San Jose

Mariana Chavez-Vazquez is the General Manager of the San José–Santa Clara Regional Wastewater Facility. She brings over 25 years of experience in the environmental field and has been with the City of San José since 2012, where she has held key leadership roles including Deputy Director for the Capital Improvement Program and Assistant Director for the Environmental Services Department. She holds a degree in Civil Engineering from the National University of Mexico and a Master of Engineering from the University of Toronto, with a focus on wastewater treatment. Prior to joining the City, she worked as a wastewater consultant in Toronto and New York City.
