

Robert Schulz

University Architect
San Diego State University

Mr. Schulz is the University Architect at San Diego State University, responsible for long range planning, real estate, design and construction for the university. He has overseen over \$3 Billion in projects to date at SDSU.

Mr. Schulz brings to his position over 40 years experience in design and construction, and project oversight on more than \$4.5 billion of public facilities.

He is a licensed architect and a senior building official in California with a Bachelor of Architecture degree from Ball State University, and Master of Architecture from Cal Poly Pomona, and is a proud husband, father, grandfather, and Aztec for Life.
